

COGGES

Join our **NEW** Teacher Panel

Help Bring Learning to Life

Cogges Manor Farm is a much-loved heritage resource for local schools. With a little help from you, we can make our learning sessions even better.

We invite you to join the new **Cogges Teacher Panel** and help shape our Schools Education Programme to suit the needs of all your children, from the Early Years Foundation Stage through to Key Stage 2.

We've created this community to keep in touch with teachers and leaders in education because your opinions and feedback really matter to us. This is also a chance for you to join other like-minded peers and get rewarded for sharing your opinion on education related topics.

What's Involved?

- We anticipate the need for no more than one contact per half term.
- Initially we would like feedback by email on resources that have already been created.
- Later, you'll have the chance to participate in discussions, surveys, quick polls and interact with other education professionals (either online or face to face).

Our Way of Saying Thank You!

*In return for your commitment to the Cogges Teacher Panel, we're offering you **FREE** admission to Cogges PLUS 25% off one visit per term for your school. *Terms and conditions apply.
