

Volunteer Role Description

Ground Maintenance Volunteer

Operations Team

Role summary:

Working as part of a team managed by our Operations staff, undertaking grounds maintenance tasks to help ensure high presentation standards across the estate.

Your role:

- Grass cutting using tractor and mower
- Weeding
- Strimming
- Shrub and bracken clearing
- General sweeping, cleaning and tidying as required

Your qualities:

- Reliable and conscientious
- Work well as part of a team
- Reasonably fit as role can be physically demanding
- Willingness to work in all weathers

The hours:

Shifts available Monday – Sunday from 9.30am.

Training and support:

Training will be provided in using the tractor, mower and strimmer. Support will be provided by our volunteer team lead and operational staff. You will also be expected to attend regular health and safety training.

Volunteer benefits:

- Meeting new people and being part of a team
- Learning new skills
- Spending time outdoors in a beautiful setting
- Cogges Volunteer Pass for free entry for you and a guest
- Discount in the Cogges Kitchen and shop

What's going on at Cogges Manor Farm?

Now is a really exciting time to join us following an investment from the National Lottery Heritage Fund. Visitors and volunteers will start to notice some real differences to the way we tell the story of the 1,000 years of history at Cogges, with some really exciting projects alongside some much-needed improvements on site including a new volunteer room.
